

MESSIAH MESSENGER

2025

Dear Messiah Lutheran Church and friends,

I was born with an anomaly in my heart. I was informed of this just last week. One of the vessels that feeds the heart takes an abnormal path through the wall of and between the two main pipes at the top of the heart. The supply of blood to my heart is being pinched each time my heart beats and it is not receiving enough blood to function properly. I have been experiencing what I now know is my right ventricle telling me this, through palpitations and chest tightness.

Thankfully, this condition, although very rare, has been fixed through open-heart surgery in many patients and I am an ideal candidate. Surgery is scheduled for Monday, March 3rd at St. Joe's. The recovery will be long and extensive, and I will be in the ICU for 3-5 days. I will then spend 8-12 weeks recovering at home. The last things I will be able to bring back into my life are preaching and exercise. But do not worry, I am already working on my June 1st sermon.

I thank you in advance for your prayers and care for me and my family. I know I have visited many of you in the hospital in your time of need. Unfortunately, you will not be able to return the favor as I will not be allowed visitors. During my absence, please do not be alarmed if I do not answer calls or return text messages. Rest assured that the Hoover Family has a great support network both inside and outside of the church.

I regret the suddenness of this situation, but I leave you, temporarily, in the good hands of our leadership and staff. You will hear more details about the coverage plans on Sunday. I encourage you to remain engaged in the church during my temporary absence. You get out of church what you put into it. Your presence and engagement are the work of God through the church. The absence of a pastor will not change what God has already been doing in your life through Messiah Lutheran Church.

And Jesus said to Simon, "Do not be afraid;
from now on you will be catching men." Luke 5:10 (ESV)

Can you picture this well-documented exchange between Jesus and Peter? Maybe you have felt afraid or anxious when you encounter God. Jesus says to you as He says to us this morning - from now on your most important work will be the appeal I make through you.

continued...

My first recollection of hearing this saying comes from Sunday School as a kid. I remember all the children laughing together as we thought about trying to catch a person with a fishing pole. I remember later, in Youth Group, talking about the ancient Chinese proverb,

"Give a man a fish, and you feed him for a day.
Teach a man to fish, and you feed him for a lifetime."

I may have blended those two sayings over the years.

I somehow got the idea that what Jesus was saying to Peter and me was that He needs us to do this faith stuff on our own. Jesus is going to teach us how to be like him, so we don't need his help.

Nothing could be further from the truth. Peter "caught men" because he was following Christ and received the promised Holy Spirit. Peter never proved himself to Jesus, he wasn't independent of Jesus. Peter was dependent on God.

One is a *theology of glory*, independence from God. The other is a *theology of the Cross*, dependence on God.

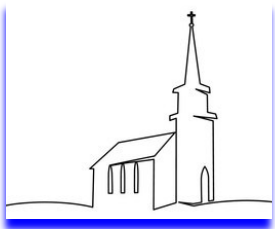

Nothing in your life is a mystery to God. Each hardship and each victory are designed to create His presence and your dependence on that presence. At no time is God dependent on us and our response to His Grace. God truly does have the whole world in his hands.

All this to say – that something as scary as being born with a heart condition most certainly could have taken my life. This does not make me doubt God's design. Although I would have liked my heart to at least follow the pattern He used with most everyone else, I am at complete peace with the need for open-heart surgery.

I do regret being a burden on my family and my church family. I am also growing in a sense of peace and wonder at how God will show up in this time.

In anticipation of what God does next,

Pr.

QUILTERS

Lutheran World Relief (LWR) began in 1945 and for over 80 years has helped people around the world in 136 countries, not only with quilts and fabric kits but also with school kits, personal care kits and baby care kits. In 2024 alone, LWR provided 370,818 kits in 16 countries (including the USA) and 5,568 fabric kits. For 33 years (since 1992), Messiah Quilters have been a part of that - sending over 2,800 quilts and 150 fabric kits to LWR. Our quilts/fabric kits ship out of the Maryland warehouse and, in 2024, were part of shipments to Angola, Georgia, Moldova, Ukraine and the United States. You can see more about this in the information posted in the Narthex. A huge "thank you" to all our current quilters and all those of the past 33 years, that have made our quilting mission here at Messiah so rewarding.

Messiah Quilters will meet on Tuesday, March 18th from 9 a.m. – 2 p.m. We have a lot of quilts ready to complete and if you can tie a knot, you can help us out. We even have jobs you can do sitting down. Think about stopping in to see what we do. You do not have to stay the entire time - whatever time you can give is appreciated. If you are unable to join us and would like to sew at home, we have kits available with instructions that show how easy it is to put a quilt top together. Contact Kathy Mueller at 815-953-6601 or scpbklane@aol.com for more information. We hope to see you on **March 18th**!

SANCTUARY CHOIR

Our Sanctuary Choir sings on Sunday mornings at the 9:30 service, September through May. When the Children's Choir is performing, we sing at the 8:00 service. Rehearsals take place on Thursday evenings from 7:15-8:45. We are always looking for new members!

For more information please contact Herb Alexander, Sanctuary Choir Director, at halex12240@gmail.com.

Please like our Facebook page (MLC Stay-n-Play Playgroup) for additional information and share with your friends and neighbors!

STROLLER FIT MOM'S CLUB
